

Gabriela Ramos

Special Lecture and Dialogue with Students

International AI Governance and Ethics

As UNESCO Assistant Director-General for Social Sciences from 2020 to 2025, and as OECD Chief of Staff and Sherpa to the G20 and G7 before that, Ms. Gabriela Ramos has played a pivotal role in shaping international agreements and delivering progress in issues relating to Artificial Intelligence (AI). She has played a leading role in overseeing the adoption of the Global Digital Compact, covering issues such as the ethics of artificial intelligence, which is applicable to 194 nations and implemented in over 70 countries. She helped build technical capacities, supported legislation on multiple aspects of AI and the establishment of institutions to manage this transformative process. She has a BA in International Relations from the Universidad Iberoamericana and MPP from the Harvard Kennedy School. Join us for this timely discussion as we discuss the impact of AI in all aspects of modern life.
